## Midwives & Mothers

Our journey on the side of 'WOMEN'

OUR PASSION

To support, To nourish and To nurture

And to try to make

WOMEN'S journey better

Sometimes leading us to places that we have never DREAMED

Sometimes also involving us in a storm of EMOTIONS

Time for listening, Time for getting close

TIME FOR BUILDING TRUST

Getting to know-THE WOMAN we meet

So there is light,

of UNDERSTANDING and FAITH

When NEW LIFE make its arrival

Innocently hoping for somebody to be KIND

A new day special to everyone involved

When the life is changing

WHEN LIFE CHANGES FOREVER

Then midwives are there with WOMEN

Present with their HANDS

And present with their HEARTS

Blessed to be part of joy

Cont.....

Blessed to be part of every CONFUSING TIMES

Sharing LAUGHS

Sharing SMILES

Most times experiencing

THE MIRACLES of life

The MIRACLE of the creation of FAMILIES

Witnessing privacy and intimacy

FEELING HONOURED

Sometime needing to be STRONGER than they are imagined

OBSERVING, GUIDING and GIVING

Never stopping to 'AIM FOR BETTER'!

EXPERIENCE

In pregnancy, birth and beyond

This time when life TRANSFORMS

And has a major impact on

THE FUTURE

MIDWIVES'!

Please never forget that WOMEN deserve

RESPECT- SUPPORT and LOVE

So that they can be

LOVING & CONFIDENT MOTHERS

So our CHILDREN can grow up

In a BETTER WORLD

Let us aim for the stars

LET US MAKE THE WORLD A BETTER PLACE

BY PROTECTING THE WOMEN'S CHOICE IN BIRTH!
